

# LAUREANO VERA

JAVASCRIPT DEVELOPER

---

## ABOUT ME

I started as a programmer with a group of friends developing video games in godot, then at the beginning of the pandemic I bought a css course in udemy, seeing what I could achieve in the browser I fell in love with the world of computing and I will never stop learning.

## SKILLS

**FRONTEND:** html, [css, bootstrap, less],[javascript, svelte, reactjs, typescript],
